

## **BIR Policies and Procedures**

**Students who are assigned to the Behavior Intervention Room for all or part of any day will be expected to follow these policies:**

Upon entering the room they will place their personal electronics (cell phones, I pods, etc.) in the container located on the proctor's desk. They will be allowed to retrieve their device when they are permitted to leave for the day.

Failure to comply with this policy will result in a phone call home and arrangements will be made to have the student leave school for the remainder of the day. Upon arrival to school the next day, the student will be placed in BIR where he/she will surrender their electronic device and serve the remainder of time from the previous day's infraction(s).
